Continuous Flow 90° "L" Receiver Features & Specifications

We are the oldest existing manufacturer of Side by Side Harvesters in the United States. We have used a lifetime of farming and harvesting knowledge to develop the fastest and most reliable harvesters on the market.

Our machines are very versatile and can harvest many types of trees even in the toughest conditions.

The Weldcraft Continuous Flow 90° L-Pan Receiver pairs with the Side by Side Shaker to form a set. A Wide variety of option to suite any crop including bins or bulk systems.
